

# POETRY AND ART WORKSHOPS

## KAREN DE MAURO ARTIST & WRITER

### EXPLORE THE CONVERSATION BETWEEN WORDS & TEXT

Poets and artists from Blake to Basho have explored ways to create dynamic conversations between words and art. This introductory multi-arts workshop for student writers and artists guides them through demonstrations and experiments with paint and print, spoken word and story.

Interactive exercises show how to compose pages that move back and forth between images and text. Visualization and dialogue clarify choices that combine art and words in mutually reinforcing ways.

Examples of artists who blend images and word well combine with practical techniques to inspire students to connect in a meaningful way to the times we live in.
